2023 KY DERBY FESTIVAL

PEGASUS PARADE

April 30, 2023

The 2023 Pegasus Parade is a significant feature of the two-week-long Kentucky Derby Festival. It showcases some of the nation's finest marching bands and equestrian units, inflatable characters, and colorful floats. Originating in 1956 on a budget of only \$640, the Pegasus Parade is the Kentucky Derby Festival's oldest event. Today, the Pegasus Parade is one of the largest in the country, contributing an estimated impact of more than \$22 million to the local economy.

The parade will begin at 3:00 pm at Broadway and Campbell St and march west on Broadway for 17 blocks to 9th Street. The parade is expected to last approximately 2.5 hours.
