Subject: LIGHTHOUSE TUTORING

Yesterday Stacie Alvey, Brett Hankson and James Steffan worked with children at Lighthouse. They were all wonderful. Stacie worked with a little girl who seemed awed by her; they seemed to work great together. Brett worked with a little boy who needed math help and Brett was really getting him involved. James worked with another tutor with a little boy who is a handful. They seemed to manage him. All three of them were helpful and fun to meet. Again, thanks to you both for your help on this and thanks so much for the help of your officers.

Dear Chief White:

I recently finished a jury trial in the matter of Commonwealth vs. Oleg Ushyarov, case 08CR1916, in Jefferson Circuit Court. The defendant was convicted of burglary in the second degree and wanton endangerment in the second degree, and received a sentence of ten years. I wanted to pass along my appreciation for the great work that the officers did in this case.

Detective Joshua Hasch was the lead detective, and was assisted by Officer Tommy Davis, Officer Brett Hankison, Detective Mark Final, Detective Mike Fields and Officer William Downey. I was very impressed with their work in this case. Not only did they conduct themselves very professionally in court, but they were all available to assist me in preparing the case for trial. There are always unexpected issues that arise during trial, and their willingness to answer my calls even when they were not on duty was greatly appreciated!

The Sixth Division officers did a very thorough job of investigating this case, and the victims were grateful for the work done on this case. Their hard work generated a great result, and their cooperation in seeing the case through to conclusion was invaluable!

Thank you,

RE: LETTER OF APPRECIATION

OFFICER HANKISON:

Recently I received correspondence commending you for your professionalism and outstanding performance during a burglary investigation. You responded to a burglary at Southgate Manor, Apt. # on November 1, 2003. The victim advised that her next door neighbor, Brandon Huckle, had attempted to break-in to her apartment while she was at home. After making contact with the suspect at his apartment it was discovered that he had an outstanding arrest warrant on file. Mr. Huckle was asked if he had any weapons on him and advised there were several loaded handguns under the furniture and a pair of brass knuckles was found in his pocket. A consent to search was initiated at the apartment resulting in the seizure of three handguns, one shotgun and stolen checks. Mr. Huckle was arrested without incident. As a result of your effort you have been nominated for Officer of the Month of November.

I appreciate your willingness to put extra effort into doing your job. You exemplify the professionalism and dedication of the Louisville Metro Police Department.

Great job!
